
Payment Instructions - CercleS Conference 2026

This guide shows the purchase flow on the website, including where to register or sign in, how to select services, and how to complete the checkout.

Quick flow: Access the reserved area -> Review your profile -> Select a service category -> Add the correct product -> Review the cart and click Checkout.

Step 1 - Access the reserved area

- If you are a new user, click **Register** and complete the registration form.
- If you have already registered, enter your **Username** and **Password**, then click **Sign in**.
- **Tip:** keep the login credentials received by email for future access.

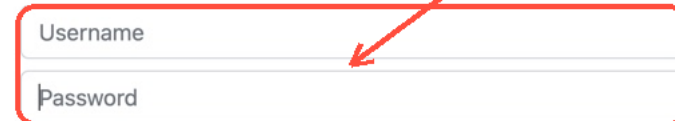

Register

Click the button below to complete your registration. You will receive your login credentials by email, which you can use for future access to the private area.

Already registered?

Log in to the private area using the credentials you received by email after completing your registration, and manage your accompanying guests.

Step 2 - Review your reserved area

- Once logged in, review the information displayed in your reserved area and check the **Registered users** section.
- Use the **yellow pencil icon** to edit profile details and the **blue cart icon** to purchase products for the selected participant.
- **Optional accompanying guest: if you are paying for an accompanying guest as well, make sure their details are correct before continuing.**

Welcome to your reserved area.

From here you can independently manage your information and your purchases.

Click the yellow pencil to edit the guests' profile details.

Click the blue cart to view the nights you have purchased or to proceed with a new purchase.

Registered users

#	FIRST NAME	LAST NAME	E-MAIL
1	Stefano	Laronga	stefano.laronga37@gmail.com
2	Nicoletta	Del Sordo	stefano.laronga37@gmail.com

Step 3 - Select the service category

- Open the purchase area and choose the category you need, such as **Event Tickets**, **Optional Guided Tour**, **Network Dinner**, or **Book your stay**.
- Click **View products** under the relevant card to continue.
- The **Checkout** button will become useful after products have been added to the cart.
