

UNIVERSITÀ DEGLI STUDI DI ROMA “FORO ITALICO”

RESEARCH PROJECT FORM

Candidate's Name and Surname:

Selected research area

** Tick the box corresponding to the chosen area (only one research topic may be selected)*

Area	General Topics	Selection*
1	Functional Assessment and Sports Performance Analysis	☐
2	Exercise Physiology	☐
3	Biochemistry and Molecular Biology - Movement Biochemistry	☐
4	Biology and Genetics of Movement	☐
5	Endocrinology	☐
6	Sports Medicine	☐
7	General Pedagogy and Special Pedagogy	☐
8	Bioengineering and Neuromechanics of Human Movement	☐
9	Psychology and Social Processes in Sport	☐
10	Cognitive and Action Neurosciences	☐
11	Public Health – Epidemiology and Biotechnology	☐
12	Sport Strategy & E-Sports Management (SSEM)	☐
13	Physical Exercise Adapted to Different Pathologies	☐
14	Sports and applied medical technical sciences	☐

Title of the candidate's research project:

Alternatively:

choice of the project relating to the additional scholarship with a predefined research topic

** Tick the box corresponding to the chosen area (only one research topic may be selected)*

Number	Specific topic	Selection*
1	“AI for athlete training and performance analytics: challenges, solutions and practical applications” - to be developed within the project “SF4Sport: AI Transformation in Sports Industry: Bridging Education, Industry, and Market Needs” funded under the Partnership for Innovation - Alliances (ERASMUS-EDU-2025-PI-ALL-INNO) Fund Manager: Prof. Daniele Conte	☐
